Re: *Golden Unicorn Enters., Inc. v. Audible, Inc.*, 1:21-cv-7059-JMF

Dear Judge Furman:

Plaintiffs write to withdraw their letter-motion for an extension of time to file public and sealed versions of their Memorandum of Law in Support of Plaintiffs' Motion for Certification of Class and Appointment of Class Counsel, ECF No. 145.

Plaintiffs filed this letter-motion in an abundance of caution because they were not certain that they had sufficient time to ensure that the numerous PDFs were in proper and usable format that could be accepted by the Court's Case Management / Electronic Case Files system ("CM/ECF"). However, the parties were able to iron out technical problems on the evening of January 6, 2023, and Plaintiffs did in fact make those filings by the deadline and without need for an extension. *See* ECF No. 147 (public versions of Plaintiffs' Memorandum of Law and exhibits, unredacted, redacted, and slip sheets, respectively, in accordance with Audible's letter-motion to seal, ECF No. 144); ECF No. 148 (sealed version of Plaintiffs' Plaintiffs' Memorandum of Law, with highlighting to denote material that Audible redacted in ECF No. 147).

Plaintiffs apologize for taking the Court's time with this matter.

Respectfully,

Chris Bagley
